

Application No. 09/701,195
Confirmation No. 7762
Docket No. 1005-AGGUS3

REMARKS

This application was allowed on September 27, 2004. The foregoing amendment to the first paragraph of the Specification is necessary to correct a minor typographical error in the cross-reference to the parent application. The proposed amendment does not introduce any new matter into the application. Accordingly, the amendment should be entered.

The Applicant respectfully requests that the amendment of the Specification be entered prior to issuance of the patent on this application.

Respectfully submitted,
